

SAPAL

With over 110 years of experience in the food industry, Sapal is a leader in the packaging of premium products. Based in Ecublens, Switzerland, but operating in an international environment, we manufacture innovative, high-tech stand-alone packaging machines to complement packaging lines, including upstream and downstream equipment. Our expertise in different types of packaging with a wide range of styles and materials, as well as our worldwide Customer Service has made us one of the leading suppliers of packaging solutions for the cheese, chocolate and bouillon industries.

In order to complete our team and with an immediate start, we are looking for a :

Head of Engineering 100% (M/F)

Your Duties & Responsibilities

- Manage and supervise our engineering team (product development and customer projects) consisting of mechanical and electrical engineers
- Ensure the development of our portfolio with a range of competitive and innovative machines in collaboration with external development and prototyping partners
- Work closely with the CEO and be an integral part of the management team
- Keeping an eye on competition
- Represent Sapal to customers and development partners
- Develop a network and partnerships with technical schools, universities and engineering firms

Your Profile

- Bachelor degree in mechanical engineering
- At least 5 years of experience in product development in the mechanical engineering industry
- Experience in leading and steering complex projects
- Knowledge of kinematics and electronics
- Good communication skills in English and French, German is an asset
- Well-developed organizational skills and solution orientation
- Creative with strong leadership skills and entrepreneurial thinking

Our Offer :

We offer you an exciting and diversified activity within a young and dynamic team, a salary commensurate with your skills and the social benefits of a modern company. Furthermore, Sapal strongly encourages its employees to continue their training in order to always give the best of themselves.

If you recognize yourself in this profile and if this new challenge attracts you, then do not hesitate to send your complete application to the following address:

Sapal SA - Human Resources Department
